**STUDENT SENATE** – There is a mandatory meeting for all members of La Salle’s Student Senate on Wednesday after school beginning at 2:40 p.m. If you cannot make this meeting, please see Mr. Hayes at some point today or tomorrow.

**CAMPUS MINISTRY** - Jesus commands Peter three times to ‘feed my sheep’ in John’s Gospel. We at La Salle take this command seriously and tomorrow we can show that La Salle is animated by the Holy Spirit by bringing in money, canned food or other non-perishable food items to your homeroom. All that we collect will be donated to the United Church of Cohoes food pantry and given to needy families in the Capital District. The homeroom that collects the most canned goods and money in each grade will win the coveted Canned Food Wednesday banner for that week. We are the only people standing between health and hunger for these families and they are counting on us. Please be as generous as possible.

**SENIORS** – Attention Seniors: College visits begin this week with nearly a dozen schools. If you have not filled out your college visit passes you must do so in the guidance office this week. Remember, NO sign ups on the day of the visit – you must have your pass turned in prior to the visit.

**GOLF TEAM** – The Golf team will be heading to Pheasant Hollow today & tomorrow. The van will leave from the lower gym at 2:45 p.m. and return to LSI at 5:00 p.m. Sign up with Mr. Crandall today.

**SOCCER** – The Soccer team defeated Lansingburgh yesterday with a score of 3 – 1 giving them a 5 - 0 overall start on the season. Go Cadets!
