## Players Skill Camp

Thank you for showing interest in participating in our Fourth annual skills camp. Our camp is open for individuals and groups; grades 6-12.

Players will go through a typical youth/high school/college type practice with conditioning, offensive/defensive drills, and then test those skills in competitive games against players their own age or skill level.

We create a learning environment that focuses on building skills, confidence and encouraging creativity while enhancing a players' passion for the game. We want each player to leave with a soccer experience of a lifetime!

Please return this form along with a check made payable for \$100 dollars to La Salle Institute.
